

Aircraft Inspection and Maintenance- Higher Standards, Better Compliance
24-25 October 2017
Presented by the National Aerospace NDT Board of Australia
www.ndtboard.com

Theme: The National Aerospace NDT Board is offering a two day seminar for aircraft maintainers. The Board is going beyond NDT to capture quality and compliance issues which underpin any effective aircraft Inspection and Maintenance program. The breadth of presentations in past seminars has been appreciated by the audience and is made possible through the participation of professionals from allied fields of management, maintenance, and compliance.

Audience: This seminar is remarkable value for money and will benefit aircraft maintenance professionals responsible for Maintenance, Quality and Testing, Quality Managers and Auditors, Aircraft Owners, Aircraft Maintenance Supervisors, Aircraft Inspectors, Aerospace NDT Service Providers, and Consumers of Aerospace NDT.

Program: There will be two full days of presentations. The Keynote Address is to be delivered by **Jeff Boyd**, the chairman of the CASA Board, and other presentations include;

NDT and Maintenance Case Studies
ADF Aviation
Quality Management Systems
Part 145 Regulatory Compliance
NDT Equipment and Process Developments
Managing Ageing Aircraft
Calibration
Inspection of Composites
Human Factors and Fatigue Management Programs
NDT Inspection Standards

Exhibition: There will also be an exhibition of equipment and services as part of the seminar. Exhibitors should go to the registration form on the NANDTB web site for details

Venue: The Coogee Bay Hotel Conference and Function Centre, Sydney. The Conference Centre is situated only twenty minutes from Sydney airport and the city centre at historic Coogee Beach. It provides excellent conference facilities in a relaxed atmosphere, with a range of nearby accommodation options.
www.coogeebayhotel.com.au

Cost: Individual registrations for this two day event are \$150, and accommodation may be booked directly with the Coogee Bay Hotel, or with any of the great alternate accommodation in the area. A welcome function on Monday evening is included in the registration costs and there is an optional dinner at local restaurant Churrasco Brazilian BBQ on the Tuesday evening at \$69 pp.

Further information will be posted on the NANDTB web site as the program and other planning develop. www.ndtboard.com
